Hand-engraved craftsmanship

Introducing our 2 new Designs

Cassini™ Privacy level 5

An innovative design that proves Pilkington still leads the way.

Pushing the boundaries of textured glass production, the fine line detail and carefully considered angles of Pilkington **Cassini**™ combine to produce a stunning multi-layered effect.* The use of cutting edge technology results in a unique modern design with lenticular elements that shift with the viewing angle.

Tribal™ Privacy level 5

Hand-engraved craftsmanship captured in an expressive composition.

Pilkington **Tribal**™ demonstrates a freer, hand-drawn aesthetic inspired by the vivid individuality of tribal patterns. To achieve this look, we have drawn upon our rich heritage of engraving expertise to produce a glass steeped in history, yet perfect for the contemporary world.

Note on scale: All glass shot in studio.
